Information about data processing

Esselunga S.p.A., as Data controller, inform you that the data provided through the questionnaire are collected by electronic means and on paper. Your data are collected and processed for suppliers evaluation purposes, in order to include your Company in the "Qualified Vendors List" and, as part of a potential contract, to fulfill all accounting, legal and contractual obligations.

In any case your data will not be sold or communicated to others, except to Esselunga Group Companies, like Atlantic s.r.l. and EsserBella s.p.a. Your data will be treated only by company's employees within their field.

You are not obliged to provide Esselunga with your data, but a refusal will determine the impossibility to qualify your Company and include it in the "Qualified Vendors List".

You have the right to obtain at anytime by the Data Controller of the Department in charge: the confirmation of data existence and their communication, updating, amendment, integration, cancellation, transformation and block of data treated against law, writing to Esselunga S.p.a. via Giambologna 1, 20096 Limito di Pioltello (MI).

After having read the data treatment note, the person concerned gives consent for processing and collecting data.
